March 18<sup>th</sup>, 2013

I am writing to notify you that today, Triumph Group, Inc. (NYSE: TGI) announced the completion of the previously announced acquisition of the pump and engine control systems business of Goodrich Corporation (Goodrich Pump & Engine Control Systems or GPECS) from United Technologies Corporation.

Effective today, we will begin operating as Triumph Engine Control Systems, LLC and be included in the Aerospace Systems Group. Triumph Group, Inc., is headquartered in Berwyn, Pennsylvania and designs, engineers, manufactures, repairs and overhauls a broad portfolio of aerostructures, aircraft components, accessories, subassemblies and systems. The company serves a broad, worldwide spectrum of the aviation industry, including original equipment manufacturers of commercial, regional, business and military aircraft and aircraft components, as well as commercial and regional airlines and air cargo carriers.

I want to ensure you it's business as usual as we embark on this new and exciting chapter in our company's long and successful history in providing aerospace fuel systems for the commercial, military, helicopter and business jet markets. We will be transitioning our email addresses over the next few months and will continue to keep you updated on this and any other important developments. As always, if you have any questions please do not hesitate to reach out to myself or your usual contacts.

Yours sincerely,

Alec Searle  
President
